Announcement to rally in Mexican consulate, Hamburg, Germany.
In different parts of Mexico and the world, the call to
strengthen the International Campaign

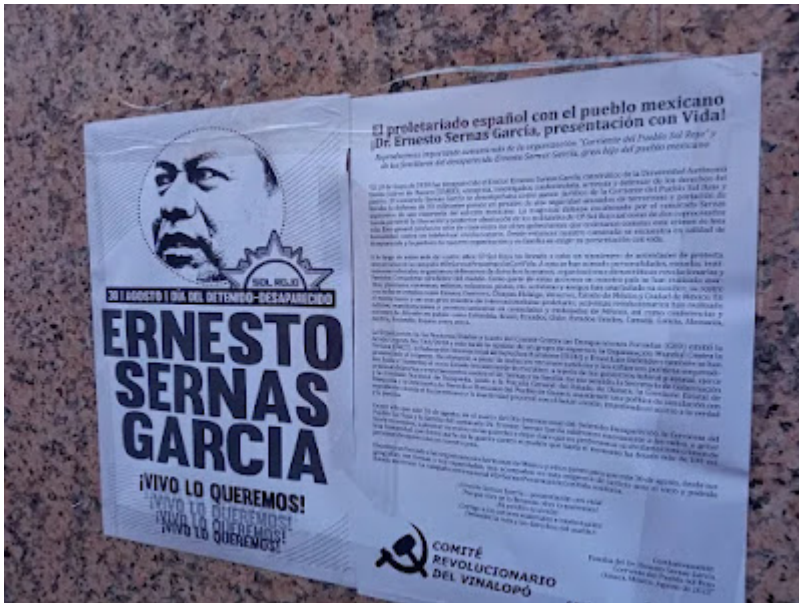

#DrSernasPresentaciónConVida (PresentDrSernasAlive) is gaining momentum.

On August 30, in the framework of the International Day of the Detained-Disappeared, the Red Sun-PC is calling on the democratic and revolutionary forces to carry out solidarity actions to demand truth, justice and the presentation of Dr. Ernesto Sernas García alive.

The last National Popular Assembly, agreeing on the route towards the 8th anniversary of the forced disappearance of the 43 normalista students of Ayotzinapa, has once again taken up the case of Dr. Sernas.

Organizations from different parts of the country are preparing different types of solidarity actions, while in Oaxaca a combative mobilization is announced.

In other parts of the world the signs of solidarity are palpable, the newspaper Communist International has published the appeal on its website, the newspaper A Nova Democracia of Brazil has done the same, as has the media Dazibao Rojo of Galicia, while in Spain the revolutionaries have pasted posters in working class neighborhoods of Elche, and in Hamburg, Germany an important demonstration of support is being prepared at the Mexican consulate. In other countries, various demonstrations of proletarian internationalism are also being prepared, which, as Chairman Mao Tse Tung said, is the spirit of communism.
