*Proletarians of all countries, unite!*

The editorial staff of ci-ic.org expresses its heartfelt condolences the Communist Party of the Phillipines (CPP), its leaders, cadres, militants, combatants and masses, to the Filipino people, as well as to the family and friends of the late comrade Jose Maria Sison, founder of the CPP and initiator of the people's war in the Philippines.

The International Communist Movement loses, with the death of comrade Jose Maria Sison, an important leader, the CPP loses its honorary chairman, the Filipino people loses an outstanding leader, but we are firmly convinced that our comrades, the class and the Filipino people will pick up and uphold his heritage and bring forward the people's war to its victory.
